

Christian Schwens

Early Internationalizers

Specificity, Learning and Performance Implications

Table of Contents

Geleitwort	I
Vorwort	III
Table of Contents	V
List of Tables	VII
List of Figures	VIII
1 Introduction	1
1.1 Background of the Study	1
1.1.1 Definition and the Domain of International Entrepreneurship	2
1.1.2 Theoretical Foundations in International Entrepreneurship	3
1.1.3 Methodological Issues in International Entrepreneurship	8
1.2 Research Objectives and Outline of the Thesis.....	11
1.3 Data.....	14
1.3.1 Dataset 1	14
1.3.2 Dataset 2	15
1.3.3 Dataset 3	16
2 International Entrepreneurship: Meta-Analytic Evidence on Determinants of Early versus Late Internationalization	21
2.1 Introduction.....	21
2.2 Literature on Determinants of Early versus Late Internationalization.....	22
2.3 Methodology.....	31
2.3.1 Sample	31
2.3.2 Measurement	31
2.3.3 Analytical Approach	32
2.3.4 Results	33
2.3.5 Moderator Analysis: Early versus Late Internationalizers.....	35
2.4 Discussion.....	36
2.5 Limitations and Implications for Future Research.....	39
3 Early Internationalizers: Transaction Cost Economics and Structural Embeddedness	43
3.1 Introduction.....	43

3.2	Theory.....	44
3.2.1	Criticism of Transaction Cost Economics	44
3.2.2	Extension of Transaction Cost Economics by Structural Embeddedness.....	46
3.2.3	Hypotheses	47
3.3	Methodology.....	51
3.3.1	Data.....	51
3.3.2	Measurement	51
3.3.3	Graphical Chain Model and Empirical Results.....	55
3.4	Conclusion and Limitations.....	58
4	How Early Internationalizers Learn: Experience of Others and Paradigms of Interpretation.....	61
4.1	Introduction.....	61
4.2	Literature Review	62
4.3	Theoretical Background and Research Model	63
4.3.1	Mechanisms of Learning.....	63
4.3.2	Organizational Inertia versus Learning Advantages of Newness.....	64
4.3.3	Hypotheses	66
4.4	Methodology.....	71
4.4.1	Data.....	71
4.4.2	Measurement	71
4.4.3	Empirical Results	77
4.5	Discussion and Implications for Future Research.....	84
5	Pre- and Post-Entry Learning of Young Technology Firms: Antecedents of Objective and Tacit Foreign Market Knowledge.....	87
5.1	Introduction.....	87
5.2	Literature Review on Foreign Market Knowledge.....	88
5.3	Theory.....	90
5.3.1	Complementarities of PTI, INV Theory and Absorptive Capacity	90
5.3.2	Hypotheses	95
5.4	Methodology.....	101
5.4.1	Data.....	101

5.4.2	Measurement	101
5.4.3	Analytical Approach and Empirical Results.....	102
5.5	Discussion.....	107
5.6	Conclusion and Directions for Future Research.....	108
6	Conclusion	113
6.1	Theoretical and Empirical Contributions	113
6.2	Managerial Implications.....	116
6.3	Limitations of the Study and Suggestions for Future Research	118
	References	121
