Note on web references

Web references have been placed throughout the text to enable readers to obtain further information about the issues discussed in this Guide. They are indicated by a box:

Inter-Parliamentary Union <<http://www.ipu.org>>

All links were active as of 1 April 2006. However, the constantly evolving nature of the Internet means that some of the links will inevitably not be available in the future.

These references represent only a tiny part of the information related to parliament and democracy available online. A more extensive, updated collection of web references can be found on the IPU Website, as well as the electronic version of the Guide itself <<http://www.ipu.org/dem-e/guide.htm>>.
