<i>1. Introduction</i>	<i>1</i>
1.1. Research topic and approach	1
1.2. Why is research on university spin-off firms important?	S
1.2.1. A technology-based new firm.....	5
1.2.2. A channel for technology transfer.....	7
1.2.3. A part of the university mission.....	8
1.2.4. The contribution to economic growth.....	9
1.2.5. Policy development.....	10
1.3. Definitions and research questions	12
1.3.1. Definitions and typologies.....	12
1.3.2. University initiatives to facilitate university spin-off firms.....	14
1.3.3. The process of university spin-off firm formation.....	16
1.3.4. University capabilities to facilitate spin-off firm formation.....	17
1.3.5. Research focus.....	19
1.4. Outline of the thesis	20
<i>2. Theoretical framework</i>	<i>21</i>
2.1. Introduction	21
2.2. University spin-off firm formation - an entrepreneurship perspective	25
2.2.1. Entrepreneurship within universities.....	25
2.2.2. The opportunity.....	28
2.2.3. The individuals.....	30
2.2.4. The university context.....	33
2.2.5. Characteristics of the university setting.....	35
2.2.6. Barriers to entrepreneurship within universities.....	37
2.3. University spin-off firm formation - a process view	39
2.3.1. Process research on spin-off firm formation.....	39
2.3.2. Process theories.....	42
2.4. University capabilities facilitating spin-off firm formation	43
2.4.1. Theories related to facilitating processes.....	44

2.5. Theoretical approach summarized.....	49
3. <i>Research design and methods</i>	50
3.1. Introduction.....	50
3.2. Scientific perspective and the process approach.....	53
3.3. Research design.....	56
3.3.1. Research questions.....	56
3.3.2. Theory.....	59
3.3.3. Case selection.....	60
3.3.4. Data collection.....	62
3.3.5. Narrative interviewing.....	64
3.3.6. Data exploration.....	66
3.4. Research quality issues.....	69
3.4.1. Research credibility and dependability.....	69
3.4.2. Ethical considerations.....	71
3.5. Introduction to the individual papers.....	73
3.5.1. Paper 1.....	75
3.5.2. Paper 2.....	76
3.5.3. Paper 3.....	77
3.5.4. Paper 4.....	79

5.5.5.	School of Economics and Commercial Law at Gothenburg University.....	131
5.5.6.	Empirical findings summarized.....	132
5.6.	Analysis and discussion.....	133
5.7.	Conclusion and implications.....	136
5.8.	Acknowledgements.....	138
6.	<i>Paper 3 - Spin-off venture creation in the university context - a process view.....</i>	139
6.1.	Abstract.....	140
6.2.	Introduction.....	140
6.3.	The process of university spin-off firm formation -the different perspectives	142
6.3.1.	Process theories.....	143
6.3.2.	Life-cycle process.....	146
6.3.3.	Teleological process.....	147
6.3.4.	Dialectical process.....	149
6.3.5.	Evolutionary process.....	151
6.4.	Methodology.....	152
6.4.1.	Research Setting and Case Selection'.....	152
6.4.2.	Data Collection and analysis.....	153
6.5.	Findings and discussion.....	154

6.5.1.	The opportunity development as a stage process.....	156
6.5.2.	Teleological action moving the process.....	158
6.5.3.	University dialectics influencing the spin-off process.....	160
6.5.4.	The role of external context and evolution in the spin-off process.....	163
6.5.5.	Timing of theories.....	164
6.6.	Conclusions and implications.....	165
6.6.1.	Implications for future research.....	166
6.6.2.	Implications for policy.....	168
6.7.	Appendix: Spin-off case descriptions.....	169
6.7.1.	Spin-off Case Alpha within University A.....	169
6.7.2.	Spin-off Case Beta within University B.....	171
6.7.3.	Spin-off Case Gamma within University A.....	172
6.7.4.	Spin-off Case Delta within University A and B.....	174
7.	<i>Paper 4 - University capabilities facilitating spin-off venture formation.....</i>	176
7.1.	Abstract.....	177
7.2.	Introduction.....	177
7.3.	Theoretical platform.....	180
7.3.1.	The university context.....	180
7.3.2.	Entrepreneurship within the university context.....	182
7.3.3.	Dynamic capabilities within the university.....	185
7.3.4.	Dynamic capabilities that create new paths.....	188
7.3.5.	Dynamic capabilities that create new knowledge resources.....	190
7.3.6.	Dynamic capabilities that balance past, present, and future positions.....	191
7.3.7.	Dynamic capabilities that reconfigure and integrate resources.....	192
7.4.	Methodology.....	193
7.4.1.	Case selection and data collection.....	193
7.4.2.	Data analysis.....	195
7.5.	Findings.....	195
7.5.1.	The spin-offs.....	195
7.5.2.	The interplay between the university and the spin off project.....	196
7.5.3.	Dynamic capabilities that create new paths.....	198
7.5.4.	Dynamic capabilities that create new knowledge resources.....	200
7.5.5.	Dynamic capabilities that balance past, present, and future positions.....	201
7.5.6.	Dynamic capabilities that reconfigure and integrate resources.....	203
7.5.7.	The role of dynamic capabilities throughout the university spin-off process.....	205
7.6.	Conclusions and implications.....	205
7.6.1.	Implications for further research.....	206

7.6.2.	Implications for policy.....	207
8.	<i>Findings and implications</i>	209
8.1.	Introduction	209
8.2.	Findings related to university initiatives	209
8.2.1.	General university initiatives to facilitate spin-off firms.....	210
8.2.2.	Entrepreneurship education to facilitate spin-off firms.....	212
8.3.	Findings related to the spin-off firm formation process	214
8.3.1.	The use of several process theories.....	214
8.3.2.	Development of the business idea as a life-cycle process.....	215
8.3.3.	Development of the individuals as a teleological process.....	217
8.3.4.	Relations to the university context as a dialectical process.....	218
8.3.5.	External influence as an evolutionary process.....	220
8.3.6.	Different process theories are salient at different times.....	222
8.4.	Findings related to university capabilities	223
8.4.1.	University capabilities facilitating spin-off firm formation.....	224
8.4.2.	Capabilities that create new paths.....	225
8.4.3.	Capabilities that create new knowledge resources.....	226
8.4.4.	Capabilities that balance past, present, and future positions.....	227
8.4.5.	Capabilities that reconfigure and integrate resources.....	228
8.4.6.	Capabilities throughout the university spin-off process.....	229
8.5.	Limitations and implications for further research	229
8.5.1.	Implications and limitations regarding the process perspective.....	230
8.5.2.	Implications and limitations regarding university capabilities.....	233
8.5.3.	Implications and limitations regarding research design and methodology....	235
8.5.4.	Suggested topics for further research.....	239
8.6.	Practical implications	241
8.6-1.	Implications for policy makers.....	241
8.6.2.	Implications for universities.....	243
8.6.3.	Implications for spin-off entrepreneurs.....	248
