

Jesko-Philipp Neuenburg

Market-Driving Behavior in Emerging Firms

A Study on Market-Driving Behavior, its
Moderators and Performance Implications
in German Emerging Technology Ventures

With a foreword by Prof. Dr. Malte Brettel

RESEARCH

Table of Contents

1.	Introduction.....	1
1.1	Relevant research problem.....	1
1.2	Objectives of this investigation.....	3
1.3	Content of thesis.....	5
2.	Basics of investigation.....	8
2.1	Emerging firms.....	8
2.1.1	Emerging firms and entrepreneurial research.....	8
2.1.2	Definition of emerging firms.....	9
2.1.3	Characteristics that differentiate emerging firms from established companies.....	12
2.2	Market orientation.....	14
2.3	Market-Driving Behavior.....	22
2.4	Market-Driven Behavior.....	38
2.5	Market-driving vs. market-driven behavior: the theoretical groundwork.....	47
2.5.1	Market-driving vs. market-driven behavior: a process perspective.....	48
2.5.2	Market-driving vs. market-driven behavior: a timing perspective.....	49
2.5.3	Market-driving behavior: a strategy perspective.....	51
2.5.4	Elements of market-driving behavior: a stakeholder perspective.....	56
3;	Conceptualization of market-driving behavior in emerging firms.....	61
3.1	A brief review of the existing literature on market-driving behavior in emerging firms.....	61
3.2	Elements of market-driving behavior in emerging firms.....	64
3.2.1	Customer-driving behavior.....	65
3.2.2	Competitor-driving behavior.....	67
3.2.3	Channel-driving behavior.....	68
3.2.4	Regulator-driving behavior.....	69
3.2.5	Multiplier-driving behavior.....	72
3.2.6	Employee-driving behavior.....	73
3.3	Consequences of market-driving behavior.....	74
3.3.1	How market-driving behavior leads to competitive advantage.....	74
3.3.2	Impact of market-driving behavior on company performance.....	75
3.4	Moderators of the market-driving behavior - business performance relationship.....	77

3.4.1	Company development phase.....	80
3.4.2	Industry development stage.....	82
3.4.3	Order of market entry.....	83
3.4.4	Technology turbulence.....	85
3.4.5	Market turbulence.....	85
3.4.6	Competitive intensity.....	87
3.4.7	Regulation intensity.....	88
3.4.8	Degree of innovation.....	89
3.5	Overview of structural model.....	91
4.	Measurement of market-driving behavior in emerging firms.....	94
4.1	Measurement of market-driving behavior in the extant literature.....	94
4.2	Design of the survey instrument.....	95
4.2.1	The market-driving behavior (MaDri) indicators.....	96
4.2.1.1	Customer-driving behavior.....	97
4.2.1.2	Competitor-driving behavior.....	98
4.2.1.3	Channel-driving behavior.....	99
4.2.1.4	Regulator-driving behavior.....	99
4.2.1.5	Multiplier-driving behavior.....	100
4.2.1.6	Employee-driving behavior.....	102
4.2.2	The market-driven behavior indicators.....	103
4.2.2.1	Intelligence generation.....	104
4.2.2.2	Intelligence dissemination.....	105
4.2.2.3	Responsiveness.....	106
4.2.3	The scales.....	107
5.	Empirical study of market-driving behavior in emerging technology firms.....	108
5.1	Data collection.....	108
5.1.1	Selection of target companies for survey.....	108
5.1.2	Survey procedure.....	109
5.1.3	Sample representativeness.....	109
5.1.4	Removal of unsuitable answers.....	110
5.1.5	Data editing.....	110
5.1.6	Analysis of non-response and informant bias.....	111
5.2	Sample properties.....	112
5.2.1	Industries represented in the sample.....	112

5.2.2	Age; Size and Stages of sample companies.....	113
5.3	Data analysis.....	115
5.3.1	Specification of constructs.....	116
5.3.2	Selection of analytical method.....	119
5.3.3	Assessment of model quality.....	123
5.3.3.1	Quality assessment of reflective measurement models.....	124
5.3.3.2	Quality assessment of formative measurement models.....	126
5.3.3.3	Quality assessment of structural model.....	127
5.3.4	Evaluation of the measurement models: Validation of constructs.....	132
5.3.4.1	Reflective Constructs.....	132
5.3.4.2	Formative Constructs.....	138
5.3.5	Evaluation of the structural model.....	141
5.3.6	Moderators of market oriented behaviors.....	145
5.3.6.1	Absolute influence of market-driving behavior on firm performance.....	147
5.3.6.2	Relative influence of market-driving behavior vis-a-vis market-driven behavior on firm performance.....	148
6.	Discussion.....	151
6.1	Interpretation of Results.....	151
6.1.1	The market-driving behavior construct and its dimensions.....	152
6.1.2	Performance implications of market-driving behavior.....	153
6.1.3	Consideration of environment.....	159
6.1.3.1	Company development phase.....	160
6.1.3.2	Industry development stage.....	163
6.1.3.3	Order of market entry.....	166
6.1.3.4	Technology turbulence.....	168
6.1.3.5	Market turbulence.....	169
6.1.3.6	Competitive intensity.....	170
6.1.3.7	Regulation intensity.....	171
6.1.3.8	Degree of innovation.....	171
6.2	Implications for entrepreneurs.....	175
6.3	Implications for researchers.....	178
6.4	Limitations of analysis and suggestions for further research.....	181
7.	Summary.....	184
8.	Appendix.....	187
8.1	Cover letter.....	187

8.1.1	Initial Invitation.....	187
8.1.2	Reminder I.....	188
8.1.3	Reminder II.....	189
8.2	Survey instrument.....	191
8.3	Statistical, appendix.....	200
8.3.1	Results of structural model per moderator.....	200
8.3.2	Reliability and validity for moderator constructs.....	226
9.	References.....	229
