TABLE OF CONTENTS

<i>Chapter</i>		<i>Page</i>
1	Introduction	1
2	Ail overall picture of the economy	4
	Summary	4
	Introduction	6
	Economic structure	7
	(a) Jersey's 'national income' and international comparisons	7
	(b) Origin of Jersey's 'national income'	10
	(i) General assessment	10
	(ii) The importance of tourists and 'wealthy' immigrants	13
	(c) Foreign trade	15
	(d) Balance of Payments	15
	(e) U.K. Balance of Payments and Reserves	18
	(f) Distribution of income	19
	Economic trends	21
	(a) Rate of economic growth	21
	(b) Population and manpower	23
	(i) Population growth	23
	(ii) Population age distribution	23
	(iii) Manpower	25
	Economic problems	27
	(&) Land availability and land use	27
	(b) The immigration problem	29
	(c) The Common Market (E.E.C.)	31
	Conclusions	35
	Statistical Appendix	37
3	Tourism	48
	Summary	48
	Introduction	50
	The place of tourism in the Island's economy	51
	(a) Passenger arrivals - what the figures mean	51
	(b) Expenditure by tourists	53
	(c) Tourism and the Balance of Payments	57
	(d) Tourism and the 'wealthy' resident	57
	(e) Conclusion	58
	The nature of the Island's tourism industry	58
	(a) The nature of the market	58
	(b) The nature of the customer	60
	(c) The nature of the product	62
	(d) The price of the product	63
	(e) Labour supply and labour costs	68
	The 'cost' of tourism	69
	The Future	71
	(a) Hotel and Guest House occupancy	71
	(b) Means of raising off-season occupancy levels	74
	(i) Conferences	74
	(ii) Continental visitors	76
	(iii) Other developments -	77
	Golf	77
	Yacht Marina	78
	Fort Regent	78
	Other areas of action	79
	(c) Cost competition in the future	80
	(d) The prospect of E.E.C. entry	81
	(e) Organisation	83
	(i) Co-operation	83
	(ii) Market research	83
	(iii) Customer relations	84
	(f) Government assistance	84
	Appendix - Hotel and Guest House Occupancy Survey	85
	Statistical Appendix	89

<i>Chapter</i>		<i>Page</i>
4	Agriculture	92
	Summary	92
	Introduction	95
	The place of agriculture in the economy	95
	(a) Contribution to 'national' income	95
	(b) Demands on local labour	96
	(c) Import saving and exports	97
	(d) Amenity	97
	The present characteristics of Jersey agriculture	98
	(a) Crop patterns	98
	(b) Structure of holdings	100
	(c) Tenure of holdings	101
	(d) Cost structure	101
	(i) Land	101
	(ii) Labour	102
	(iii) Capital	103
	(iv) Transport	104
	(e) Yields and income patterns	105
	(f) The nature of the market and the marketing process	109
	(g) Form and degree of States' assistance	109
	The problems and opportunities facing the industry	111
	(a) Maintaining and improving the efficiency of production	111
	(i) The importance of security of tenure	111
	(ii) The need for investment and assistance with obtaining capital	113
	(iii) Need for good husbandry	114
	(iv) Need for good management	114
	(b) Marketing efficiency	115
	(i) The importance of group organisation in marketing in the U.K. and abroad	115
	(ii) The need for organised marketing within the Island	117

	(c) Prospects for the dairy industry	118
	(i) The problems	118
	(ii) Herd size	118
	(iii) Public support	120
	(iv) E.E.C. impact	121
	(v) Future policy	122
	(d) Horticulture	122
	(i) Competition in the U.K. market	122
	(ii) The importance of transport	123
	(iii) Impact of market trends	124
	(iv) E.E.C. implications	125
	(v) Prospects for particular crops	127
	(vi) Prospects for developing new markets	128
	(vii) Future policy	129
	(e) Meat, poultry, eggs	129
	(f) Preservation of agricultural land	129
	(i) The future form of States' assistance	130
	Conclusions	131
	Fishing	132
	Statistical Appendix	133
	Jersey as a Finance Centre	145
	Summary	145
	Introduction	147
	Overall position	148
	Deposit Banks	150
	(a) Deposits	150
	(b) Advances	152

	'Other Deposit-taking Institutions'	157
	(a) Deposits - sources	157
	(i) U.K. deposits	160
	(ii) Local deposits	160
	(iii) Overseas residents' deposits	160
	(b) Eenefits accruing to the Island	163
	(c) Benefits accruing to the U.K.	165
	(d) Advances to Jersey residents	165
	Savings Bank	167
	National Savings	170
	Future Policy	171
	Conclusions	175
	Statistical Appendix	177
6	Light Industry	181
	Summary	181
	Introduction	183
	The nature of 'light industry' in the Island	184
	(a) Point of control	184
	(b) Reasons for development in Jersey	185
	(c) Room for expansion	186
	(d) Source of materials and destination of output	186
	(e) Labour supply	187
	(f) Labour costs	189
	(g) Growth	189
	The future supply of industrial labour	190
	(a) School leavers	190
	(i) Numbers	190
	(ii) Jobs taken up by school leavers	192
	(iii) Probable future job requirements for school leavers	195
	(iv) Training of school leavers	197
	(b) Existing employees	198
	(c) Immigrants	198
	(d) Summary of supply position	199
	Future prospects for 'light industry'	199
	(3) Existing 'light industry'	200
	(b) New firms	200
	(c) The need for a States' policy	201
	(i) Reduction in import duties	202
	(ii) Housing	202
	(iii) Training assistance	202
	(iv) The availability of sites	202
	Conclusions	204
	Appendix - Firms covered by the term 'Light Industry'	205
7	'Wealthy' Immigrants	206
	Summary	206
	Introduction	207
	The fiscal attractions of residence in Jersey	209
	Other attractions of Jersey for immigrants dependent on investment income	213
	The benefit derived from immigrants dependent on investment income	214
	The costs imposed by immigrants dependent on investment income	216
	Future policy for 'wealthy' immigrants and other immigrants dependent on investment income	218
8	Communications	222
	Summary	222
	Introduction	224
	The dependence on good communications - summary position	225
	Sea transport	226
	(a) Shipping - freight services	226

<i>Chapter</i>		<i>Page</i>
	(b) Shipping - passenger services	228
	(c) Harbour developments	228
	(d) Conclusions	231
	Air transport	231
	(a) Passenger services	231
	(i) The nature of local air services	231
	(ii) The economics of domestic air services	233
	(iii) Fares policy	235
	(iv) Local civil aviation policy	237
	(v) Conclusion	238
	(b) Airfreight	238
	(c) Airport development	239
	Telecommunications and postal communications	241
	Internal transport	243
	Conclusions	244
	Statistical Appendix	245
9	Overall strategy for the Island	249
	Summary	249
	Introduction	251
	Summary of the prospects for each sector of the Island's economy	252
	(a) Tourism	252
	(b) Agriculture	254
	(c) Jersey as a finance centre	256
	(d) Light industry	258
	(e) 'Wealthy' immigrants	259
	(f) Overall picture	260
	Jersey and the Common Market	262
	The need for continued restraint	263
	Population forecasts and land-use requirements	265
	(a) The use of agricultural land	268
	(b) Land reclamation	268
	(c) Urban redevelopment	269
	Conclusions	271
10	Implications of the strategy for investment and the public sector	276
	Summary	276
	Introduction	278
	Construction industry	280
	(a) The structure of the industry	280
	(b) Productivity in the industry	281
	(c) Costs of construction	282
	(d) The future	283
	Housing	283
	(a) Quality of dwelling accommodation	284
	(b) Share between private and public provision	285
	(c) Control of housing allocation - demand control	288
	(d) Supply of houses	290
	Roads	291
	Water	293
	Sewage treatment and refuse disposal	295
	Education and health	296
	Impact on public expenditure	297
	Conclusion	298
	Statistical Appendix	299

Appendices

1	Immigration control measures adopted in other countries	306
2	The impact of expenditure on income	309
3	Cost of lining - Jersey and the U.K. compared	312
4	Analysis of Jersey incomes	318

Tables

		<i>Page</i>
