

Biodiversity and climate change: Reports and guidance developed under the Bern Convention

Volume II

CONVENTION ON THE CONSERVATION OF EUROPEAN
WILDLIFE AND NATURAL HABITATS
(BERN CONVENTION)

Nature and environment, No. 160

Council of Europe Publishing

Contents

List of tables and figures.

Introduction.

Protected areas and climate change in Europe

Professor Miguel B. Araujo, National Museum of Natural Sciences, CSIC, Madrid, Spain and "Rui Nabeiro " Biodiversity Chair, CIBIO, University of Evora, Portugal

With contributions by Ms Raquel Garcia.....9

II. Impacts of climate change on European invertebrates, with reference to the vulnerability of Bern Convention species

Dr Robert Wilson, Centre for Ecology and Conservation, University of Exeter, UK.....49

III. The impacts of climate change on plant species in Europe

Professor Vernon Heywood, School of Biological Sciences, University of Reading, UK

With contributions by Dr Alastair Culham.....95

IV. Climate change and the biodiversity of European islands

Ms Cordula Epple, UNEP-WCMC and Mr Yves de Soye.....245

V. Climate change, wildland fires and biodiversity in Europe

Mr Jose M. Moreno, University of Castilla-La Mancha, Spain.....285

VI. Impact of climate change on mountain biodiversity in Europe

*Ms Eva Spehn and Ms Katrin Rudmann-Maurer
Global Mountain Biodiversity Assessment of DIVERSITAS,
Institute of Botany, University of Basel, Switzerland.....353*

Annexes - Recommendations of the Standing Committee of the Bern Convention.....	389
Recommendation No. 142 (2009) of the Standing Committee, adopted on 26 November 2009, on interpreting the CBD definition of invasive alien species to take into account climate change.....	391
Recommendation No. 143 (2009) of the Standing Committee, adopted on 26 November 2009, on further guidance for Parties on biodiversity and climate change.....	392
Recommendation No. 145 (2010) of the Standing Committee adopted on 9 December 2010, on guidance for Parties on biodiversity and climate change in mountain regions.....	402
Recommendation No. 146 (2010) of the Standing Committee, adopted on 9 December 2010, on guidance for Parties on biodiversity and climate change in European islands.....	406
Recommendation No. 147 (2010) of the Standing Committee, adopted on 9 December 2010, on guidance for Parties on wildland fires, biodiversity and climate change.....	412
