TABLE OF CONTENTS

	Page
Acknowledgments.....	1
Historical introduction.....	2
Itinerary.....	6
Account of the species.....	10
Superorder Palaeognathae.....	11
Order Struthioniformes.....	11
Family Struthionidae.....	11
<i>Struthio camelus massaicus</i>	11
<i>Struthio camelus molybdophanes</i>	11
Superorder Neognathae.....	13
Order Pelecaniformes.....	13
Family Pelecanidae.....	13
<i>Pelecanus onocrotalus</i>	13
Family Phalacrocoracidae.....	13
<i>Phalacrocorax carbo lugubris</i>	13
<i>Phalacrocorax africanus africanus</i>	14
Family Anhingidae.....	15
<i>Anhinga rufa rufa</i>	15
Order Ciconiiformes.....	17
Family Ardeidae.....	17
<i>Ardea cinerea cinerea</i>	17
<i>Ardea melanocephala</i>	17
<i>Ardea goliath</i>	18
<i>Pyrrherodia purpurea purpurea</i>	18
<i>Casmerodius albus melanorhynchus</i>	18
<i>Egretta garzetta garzetta</i>	19
<i>Bubulcus ibis</i>	20
<i>Ardeola ralloides</i>	22
<i>Butorides striatus atricapillus</i>	25
<i>Ardeirallus sturmii</i>	26
Family Scopidae.....	27
<i>Scopus umbretta bannermani</i>	27
Family Ciconiidae.....	29
<i>Ciconia ciconia ciconia</i>	29
<i>Dissoura episcopus microscelis</i>	29
<i>Sphenorynchus abdimii</i>	29
<i>Ephippiorhynchus senegalensis</i>	30
<i>Leptoptilos crumeniferus</i>	30
<i>Ibis ibis</i>	31
Family Threskiornithidae.....	31
<i>Threskiornis aethiopicus aethiopicus</i>	31
<i>Hagedashia hagedash nilotica</i>	33
<i>Bostrychia carunculata</i>	35
<i>Platalea alba</i>	36
Family Phoenicopteridae.....	36
<i>Phoenicopus ruber antiquorum</i>	36

Account of the species—Continued.

Superorder Neognathae—Continued.

	Page
Order Anseriformes.....	37
Family Anatidae.....	37
<i>Anas undulata rüppelli</i>	37
<i>Anas crecca</i>	38
<i>Dendrocygna viduata</i>	39
<i>Alopochen aegyptiacus</i>	39
<i>Plectropterus gambensis gambensis</i>	41
<i>Cyanochen cyanopterus</i>	41
Order Falconiformes.....	42
Family Sagittariidae.....	42
<i>Sagittarius serpentarius</i>	42
Family Accipitridae.....	42
<i>Pseudogyps africanus</i>	42
<i>Torgos tracheliotus nubicus</i>	46
<i>Trionocephus occipitalis</i>	47
<i>Neophron percnopterus percnopterus</i>	49
<i>Necrosyrtes monachus pileatus</i>	51
<i>Milvus migrans parasitus</i>	54
<i>Elanus coeruleus coeruleus</i>	56
<i>Aquila verreauxi</i>	58
<i>Aquila rapax raptor</i>	58
<i>Lophaëtus occipitalis</i>	62
<i>Terathopius ecaudatus</i>	63
<i>Cuncuma vocifer clamans</i>	66
<i>Gypaëtus barbatus meridionalis</i>	69
<i>Buteo rufinus rufinus</i>	69
<i>Buteo rufofuscus augur</i>	70
<i>Accipiter minullus</i>	74
<i>Accipiter rufiventris perspicillaris</i>	75
<i>Astur badius sphenurus</i>	77
<i>Astur tachiro unduliventer</i>	79
<i>Melierax musicus poliopterus</i>	81
<i>Melierax metabates metabates</i>	84
<i>Melierax metabates neumanni</i>	88
<i>Melierax gabar</i>	88
<i>Circus macrourus</i>	91
<i>Gymnogenys typicus typicus</i>	92
Family Falconidae.....	95
<i>Falco biarmicus abyssinicus</i>	95
<i>Falco tinnunculus tinnunculus</i>	96
<i>Falco tinnunculus carlo</i>	98
<i>Falco ardosiaceus</i>	98
<i>Polihierax semitorquatus castanonotus</i>	99
Order Galliformes.....	102
Family Perdiciidae.....	102
<i>Coturnix coturnix erlangeri</i>	102
<i>Coturnix delegorguei delegorguei</i>	104
Family Phasianidae.....	106
<i>Francolinus sephaena grantii</i>	106
<i>Francolinus sephaena schoanus</i>	111
<i>Francolinus africanus uluensis</i>	112
<i>Francolinus africanus ellenbecki</i>	113

Account of the species—Continued.

Superorder Neognathae—Continued.

Order Galliformes—Continued.

Family Phasianidae—Continued.

	Page
<i>Francolinus africanus archeri</i>	114
<i>Francolinus castaneicollis castaneicollis</i>	116
<i>Francolinus castaneicollis bottegi</i>	119
<i>Francolinus squamatus maranensis</i>	120
<i>Pternistes leucoscepus</i>	122
<i>Pternistes leucoscepus leucoscepus</i>	123
<i>Pternistes leucoscepus muhamed-ben-abdullah</i>	124
<i>Pternistes leucoscepus holtermülleri</i>	125
<i>Pternistes leucoscepus infuscatus</i>	127
<i>Pternistes leucoscepus keniensis</i>	127

Family Numididae..... 128

<i>Numida mitrata reichenowi</i>	128
<i>Numida meleagris</i>	131
<i>Numida meleagris meleagris</i>	133
<i>Numida meleagris major</i>	133
<i>Numida meleagris macroceras</i>	135
<i>Acryllium vulturinum</i>	136

Order Gruiformes..... 138

Family Gruidae..... 138

<i>Balearica regulorum gibbericeps</i>	138
<i>Anthropoides virgo</i>	138
<i>Grus grus grus</i>	138

Family Rallidae..... 139

<i>Rougetius rougetii</i>	139
<i>Limnocorax flavirostra</i>	140
<i>Gallinula chloropus brachyptera</i>	140

Family Otididae..... 142

<i>Choriotis arabs arabs</i>	142
<i>Choriotis kori struthiunculus</i>	143
<i>Eupodotis canicollis somaliensis</i>	145
<i>Lophotis ruficrista gindiana</i>	148
<i>Lissotis melanogaster</i>	151

Order Charadriiformes..... 151

Family Jacanidae..... 151

<i>Actophilornis africanus</i>	151
--------------------------------------	-----

Family Charadriidae..... 154

<i>Charadrius hiaticula tundrae</i>	154
<i>Charadrius dubius curonicus</i>	155
<i>Charadrius alexandrinus seebohmi</i>	156
<i>Charadrius varius varius</i>	157
<i>Afroxechus tricollaris tricollaris</i>	159
<i>Squatarola squatarola</i>	160
<i>Stephanibyx coronatus coronatus</i>	161
<i>Stephanibyx coronatus suspicax</i>	165
<i>Stephanibyx lugubris</i>	166
<i>Stephanibyx melanopterus melanopterus</i>	167
<i>Stephanibyx melanopterus minor</i>	169
<i>Hoplopterus spinosus</i>	169
<i>Afribyx senegallus major</i>	171
<i>Sarciophorus tectus tectus</i>	173

Account of the species—Continued.

Superorder Neognathae—Continued.

Order Charadriiformes—Continued.

	Page
Family Scolopacidae.....	175
<i>Capella nigripennis</i>	175
<i>Pisobia minuta</i>	177
<i>Actitis hypoleucos</i>	177
<i>Tringa ochropus</i>	178
<i>Glottis nebularia</i>	180
<i>Rhyacophilus glareola</i>	180
Family Recurvirostridae.....	181
<i>Himantopus himantopus</i>	181
Family Oedijenemidae.....	182
<i>Oedicnemus senegalensis assimilis</i>	182
<i>Oedicnemus capensis affinis</i>	184
<i>Oedicnemus vermiculatus vermiculatus</i>	185
Family Glareolidae.....	187
<i>Rhinoptilus africanus raffertyi</i>	187
<i>Rhinoptilus cinctus cinctus</i>	188
<i>Glareola pratincola limbata</i>	191
Family Laridae.....	193
<i>Larus fuscus fuscus</i>	193
<i>Hydrocoloeus cirrhocephalus poiocephalus</i>	194
Order Columbiformes.....	197
Family Pteroclididae.....	197
<i>Pterocles senegalensis senegalensis</i>	197
<i>Pterocles senegalensis somalicus</i>	198
<i>Eremialector gutturalis saturator</i>	200
<i>Eremialector lichtensteinii abessinicus</i>	202
<i>Eremialector lichtensteinii hyperythrus</i>	204
Family Columbidae.....	205
<i>Columba albitorques</i>	205
<i>Columba guinea guinea</i>	207
<i>Columba arquatrix arquatrix</i>	210
<i>Streptopelia lugens</i>	213
<i>Streptopelia semitorquata semitorquata</i>	216
<i>Streptopelia decipiens</i>	219
<i>Streptopelia decipiens permista</i>	222
<i>Streptopelia decipiens griseiventris</i>	223
<i>Streptopelia decipiens perspicillata</i>	224
<i>Streptopelia capicola somalica</i>	224
<i>Streptopelia capicola electa</i>	225
<i>Streptopelia roseogrisea arabica</i>	228
<i>Stigmatopelia senegalensis aequatorialis</i>	231
<i>Oena capensis capensis</i>	234
<i>Tympanistria tympanistria fraseri</i>	237
<i>Turtur afer mearnsi</i>	239
<i>Turtur chalcospilos chalcospilos</i>	240
<i>Aplopelia larvata larvata</i>	242
<i>Vinago waalia</i>	244
<i>Vinago calva brevicera</i>	246

Account of the species—Continued.

Superorder Neognathae—Continued.

	Page
Order Cuculiformes.....	248
Family Musophagidae.....	248
<i>Turacus leucotis leucotis</i>	248
<i>Turacus hartlaubi</i>	250
<i>Crinifer zonurus</i>	253
<i>Corythaixoides leucogaster</i>	255
<i>Gymnoschizorhis personata</i>	257
Family Cuculidae.....	259
<i>Cuculus canorus</i>	259
<i>Cuculus solitarius</i>	260
<i>Cuculus clamosus clamosus</i>	262
<i>Cuculus clamosus chalybeus</i>	263
<i>Clamator glandarius</i>	266
<i>Clamator jacobinus jacobinus</i>	268
<i>Clamator jacobinus hypopinarus</i>	271
<i>Clamator serratus serratus</i>	272
<i>Lampromorpha caprius</i>	274
<i>Centropus monachus monachus</i>	276
<i>Centropus superciliosus superciliosus</i>	280
Order Psittaciformes.....	285
Family Psittacidae.....	285
<i>Poicephalus gullelmi massaicus</i>	285
<i>Poicephalus flavifrons flavifrons</i>	288
<i>Poicephalus rufiventris rufiventris</i>	290
<i>Agapornis taranta</i>	294
Order Strigiformes.....	295
Family Tytonidae.....	295
<i>Tyto alba affinis</i>	295
Family Strigidae.....	295
<i>Otus scops pulchellus</i>	295
<i>Otus senegalensis caecus</i>	297
<i>Carine noctua somaliensis</i>	298
<i>Glaucidium perlatum</i>	300
<i>Bubo africanus cinerascens</i>	302
<i>Bubo lacteus</i>	304
Order Caprimulgiformes.....	305
Family Caprimulgidae.....	305
<i>Caprimulgus stellatus stellatus</i>	305
<i>Caprimulgus rufigena fraenatus</i>	307
<i>Caprimulgus fossei apatelius</i>	309
Order Micropodiiformes.....	313
Family Micropodidae.....	313
<i>Micropus apus shelleyi</i>	313
<i>Micropus melba africanus</i>	314
<i>Micropus affinis abyssynicus</i>	316
<i>Micropus horus</i>	317
<i>Cypsiurus parvus myochrous</i>	318
<i>Telacanthura ussheri stictilaema</i>	320
Order Coliiformes.....	321
Family Coliidae.....	321
<i>Colius striatus</i>	321
<i>Colius striatus kikuyuensis</i>	324

Account of the species—Continued.

Superorder Neognathae—Continued.

Order Coliiformes—Continued.

Family Coliidae—Continued.

	Page
<i>Colius striatus erlangeri</i>	327
<i>Colius striatus hilgerti</i>	329
<i>Colius leucocephalus turneri</i>	329
<i>Colius macrourus macrourus</i>	331
<i>Colius macrourus pulcher</i>	335

Order Trogoniformes..... 337

Family Trogonidae..... 337

<i>Apaloderma narina narina</i>	337
---------------------------------------	-----

Order Coraciiformes..... 340

Family Alcedinidae..... 340

<i>Ceryle rudis rudis</i>	340
---------------------------------	-----

<i>Megaceryle maxima maxima</i>	341
---------------------------------------	-----

<i>Ispidina picta picta</i>	344
-----------------------------------	-----

<i>Halcyon albiventris orientalis</i>	345
---	-----

<i>Halcyon leucocephala leucocephala</i>	347
--	-----

<i>Halcyon chelicuti chelicuti</i>	351
--	-----

Family Meropidae..... 356

<i>Merops nubicus nubicus</i>	356
-------------------------------------	-----

<i>Aerops albicollis maior</i>	358
--------------------------------------	-----

<i>Melittophagus pusillus sharpei</i>	362
---	-----

<i>Melittophagus pusillus cyanostictus</i>	365
--	-----

<i>Melittophagus lafresnayii lafresnayii</i>	366
--	-----

<i>Melittophagus revouillii</i>	368
---------------------------------------	-----

Family Coraciidae..... 371

<i>Coracias abyssinicus</i>	371
-----------------------------------	-----

<i>Coracias caudatus lorti</i>	373
--------------------------------------	-----

<i>Coracias caudatus caudatus</i>	376
---	-----

<i>Coracias naevius naevius</i>	377
---------------------------------------	-----

<i>Eurystomus afer aethiopicus</i>	379
--	-----

<i>Eurystomus afer praedi</i>	381
-------------------------------------	-----

Family Upupidae..... 382

<i>Upupa epops epops</i>	382
--------------------------------	-----

<i>Upupa epops somaliensis</i>	384
--------------------------------------	-----

<i>Upupa africana</i>	386
-----------------------------	-----

Family Phoeniculidae..... 387

<i>Phoeniculus purpureus marwitzi</i>	387
---	-----

<i>Phoeniculus purpureus niloticus</i>	390
--	-----

<i>Phoeniculus granti</i>	391
---------------------------------	-----

<i>Phoeniculus somaliensis neglectus</i>	394
--	-----

<i>Phoeniculus bollei jacksoni</i>	397
--	-----

<i>Scoptelus aterrimus notatus</i>	399
--	-----

<i>Rhinopomastus cyanomelas schalowi</i>	400
--	-----

<i>Rhinopomastus minor minor</i>	402
--	-----

<i>Rhinopomastus minor cabanisi</i>	405
---	-----

Family Bucerotidae..... 406

<i>Bycanistes cristatus cristatus</i>	406
---	-----

<i>Lophoceros nasutus nasutus</i>	407
---	-----

<i>Lophoceros erythrorhynchus erythrorhynchus</i>	412
---	-----

<i>Lophoceros flavirostris flavirostris</i>	417
---	-----

<i>Lophoceros deckeni</i>	420
---------------------------------	-----

Account of the species—Continued.

Superorder Neognathae—Continued.

Order Coraciiformes—Continued.

Family Bucerotidae—Continued.

	Page
Lophoceros jacksoni.....	425
Lophoceros melanoleucos geloensis.....	425
Lophoceros hemprichii hemprichii.....	428
Bucorvus abyssinicus.....	431

Order Piciformes..... 434

Family Capitonidae..... 434

Lybius guifsobalito guifsobalito.....	434
Lybius albicaudus senex.....	437
Lybius bidentatus aethiops.....	440
Tricholaema melanocephalum melanocephalum.....	443
Tricholaema melanocephalum stigmatothorax.....	444
Tricholaema lacrymosum lacrymosum.....	446
Tricholaema diadematum diadematum.....	447
Pogoniulus pusillus uropygialis.....	451
Pogoniulus pusillus affinis.....	453
Pogoniulus chrysoconus xanthostictus.....	454
Pogoniulus bilineatus alius.....	455
Trachyphonus erythrocephalus jacksoni.....	457
Trachyphonus margaritatus somalicus.....	461
Trachyphonus darnaudii böhmi.....	464

Family Indicatoridae..... 466

Indicator indicator.....	466
Indicator variegatus variegatus.....	468
Indicator variegatus jubaensis.....	471
Indicator minor erlangeri.....	471
Prodotiscus regulus peasei.....	472

Family Picidae..... 474

Campethera taeniolaema hausburgi.....	474
Campethera nubica nubica.....	475
Campethera nubica pallida.....	480
Dendropicos fuscescens massaicus.....	481
Dendropicos fuscescens hemprichii.....	484
Dendropicos abyssinicus.....	487
Thripias namaquus schoensis.....	488
Mesopicos goertae spodocephalus.....	491
Jynx torquilla torquilla.....	493
Jynx ruficollis aequatorialis.....	494

Explanation of plates..... 497

Index..... 499

LIST OF ILLUSTRATIONS

TEXT FIGURES

	Page
FIGURE 1. Route of the Frick Expedition, showing most of the important collecting localities.....	7
2. The distribution of <i>Afribyx senegallus</i> in northeastern Africa: 1. <i>Afribyx senegallus senegallus</i> ; 2. <i>Afribyx senegallus</i> major; 3. <i>Afribyx senegallus lateralis</i>	172

	Page
FIGURE 3. The distribution of <i>Columba guinea</i> in northeastern Africa: 1. <i>Columba guinea dilloni</i> ; 2. <i>Columba guinea guinea</i>	209
4. The distribution of <i>Streptopelia decipiens</i> in northeastern Africa: 1. <i>Streptopelia decipiens decipiens</i> ; 2. <i>Streptopelia decipiens shelleyi</i> ; 3. <i>Streptopelia decipiens permista</i> ; 4. <i>Streptopelia decipiens elegans</i> ; 5. <i>Streptopelia decipiens perspicillata</i> ; 6. <i>Streptopelia decipiens griseiventris</i>	221
5. The distribution of <i>Streptopelia capicola</i> in northeastern Africa: 1. <i>Streptopelia capicola hilgerti</i> ; 2. <i>Streptopelia capicola electa</i> ; 3. <i>Streptopelia capicola dryas</i> ; 4. <i>Streptopelia capicola tropica</i> ; 5. <i>Streptopelia capicola anceps</i> ; 6. <i>Streptopelia capicola somalica</i>	227
6. Distribution of <i>Streptopelia roseogrisea</i> in northeastern Africa: 1. <i>Streptopelia roseogrisea roseogrisea</i> ; 2. <i>Streptopelia roseogrisea arabica</i>	230
7. Distribution of <i>Turacus leucotis</i> : 1. <i>Turacus leucotis leucotis</i> ; 2. <i>Turacus leucotis donaldsoni</i>	249
8. Distribution of <i>Carine noctua</i> in northeastern Africa: 1. <i>Carine noctua spilogaster</i> ; 2. <i>Carine noctua somaliensis</i>	299
9. Distribution of <i>Colius striatus</i> in northeastern Africa: 1. <i>Colius striatus leucotis</i> ; 2. <i>Colius striatus erlangeri</i> ; 3. <i>Colius striatus hilgerti</i> ; 4. <i>Colius striatus leucophthalmus</i> ; 5. <i>Colius striatus jebelensis</i> ; 6. <i>Colius striatus kiwuensis</i> ; 7. <i>Colius striatus kikuyensis</i> ; 8. <i>Colius striatus mombassicus</i> ; 9. <i>Colius striatus affinis</i>	322
10. Distribution of <i>Colius macrourus</i> in northeastern Africa: 1. <i>Colius macrourus macrourus</i> ; 2. <i>Colius macrourus pulcher</i> ; 3. <i>Colius macrourus griseocularis</i>	332
11. Distribution of <i>Phoeniculus purpureus</i> in northeastern Africa: 1. <i>Phoeniculus purpureus niloticus</i> ; 2. <i>Phoeniculus purpureus marwitzi</i>	388
12. Outermost rectrices of <i>Scoptelus aterrimus notatus</i> to show variation (the two figures at the extreme left of the page are a pair; the others are each the left member of a pair)...	399
13. The three outermost rectrices (right side of tail) of <i>Lophoceros erythrorhynchus erythrorhynchus</i> to show variation.....	414
14. Distribution of <i>Lophoceros melanoleucos</i> in northeastern Africa: 1. <i>Lophoceros melanoleucos geloensis</i> ; 2. <i>Lophoceros melanoleucos stegmanni</i> ; 3. <i>Lophoceros melanoleucos suahelicus</i>	426
15. Distribution of <i>Lybius guifsobalito</i> in northeastern Africa: 1. <i>Lybius guifsobalito guifsobalito</i> ; 2. <i>Lybius guifsobalito ugandae</i>	435
16. Distribution of <i>Lybius albicaudus</i> : 1. <i>Lybius albicaudus senex</i> ; 2. <i>Lybius albicaudus albicaudus</i>	439
17. Distribution of <i>Tricholaema diadematum</i> ; 1. <i>Tricholaema diadematum diadematum</i> ; 2. <i>Tricholaema diadematum mustum</i> ; 3. <i>Tricholaema diadematum massaicum</i>	449
18. Distribution of <i>Pogoniulus pusillus</i> in northeastern Africa: 1. <i>Pogoniulus pusillus uropygialis</i> ; 2. <i>Pogoniulus pusillus affinis</i>	452

	Page
FIGURE 19. Distribution of <i>Trachyphonus erythrocephalus</i> : 1. <i>Trachyphonus erythrocephalus shelleyi</i> ; 2. <i>Trachyphonus erythrocephalus gallarum</i> ; 3. <i>Trachyphonus erythrocephalus versicolor</i> ; 4. <i>Trachyphonus erythrocephalus jacksoni</i> ; 5. <i>Trachyphonus erythrocephalus erythrocephalus</i>	459
20. Distribution of <i>Indicator variegatus</i> in northeastern Africa: 1. <i>Indicator variegatus variegatus</i> ; 2. <i>Indicator variegatus jubaensis</i>	469
21. Distribution of <i>Campethera nubica</i> in northeastern Africa: 1. <i>Campethera nubica nubica</i> ; 2. <i>Campethera nubica pallida</i>	478
22. Distribution of <i>Dendropicos fuscescens</i> in northeastern Africa: 1. <i>Dendropicos fuscescens hemprichii</i> ; 2. <i>Dendropicos fuscescens massaicus</i>	483
PLATES	
1. Jackson's Barbet.....	498
