Grafton Street, London

# Contents

|   |     |   |     |
|---|-----|---|-----|
| Preface   | 7   | <b>Odd-toed Ungulates, Perissodactyla</b> |     |
| Translator's Note   | 8   | Asses and Zebras, Equidae                 | 109 |
|   |     | Rhinoceroses, Rhinocerotidae              | 115 |
|   |     | <b>Hyraxes, Hyracoidea</b>                |     |
| INTRODUCTION  |     | Hyraxes or Dassies, Procaviidae           | 120 |
| Geological and Climatological<br>History of Africa and Madagascar | 9   | <b>Elephants, Proboscidea</b>             |     |
|   |     | Elephants, Elephantidae                   | 124 |
| History of the Mammalian World<br>of Africa and Madagascar        | 13  | <b>Sea Cows, Sirenia</b>                  |     |
|   |     | Manatees, Trichechidae                    | 129 |
|   |     | Dugongs, Dugongidae                       | 130 |
| Abbreviations and Notes   | 26  | <b>Aardvarks, Tubulidentata</b>           |     |
|   |     | Aardvark, Orycteropodidae                 | 132 |
| Map of Africa   | 28  | <b>Scaly Anteaters, Pholidota</b>         |     |
|   |     | Pangolins, Manidae                        | 134 |
| THE ANIMALS   |     | <b>Rodents, Rodentia</b>                  |     |
| Even-toed Ungulates, Artiodactyla                                 |     | Squirrels, Sciuridae                      | 138 |
| Pigs, Suidae  | 29  | Scaly-tailed Flying Squirrels,            |     |
| Hippopotamuses, Hippopotamidae                                    | 32  | Anomaluridae                              | 147 |
| Chevrotains, Tragulidae   | 35  | Porcupines, Hystricidae                   | 151 |
| Deer, Cervidae  | 36  | Cricetines, Cricetidae                    | 153 |
| Giraffes, Giraffidae  | 37  | Jumping Hares, Pedetidae                  | 156 |
| Hollow-horned Ruminants, Bovidae                                  | 39  | Cane Rats, Thryonomyidae                  | 157 |
| Duikers, Cephalophinae  | 39  | Gundis, Ctenodactylidae                   | 158 |
| Dwarf Antelopes, Neotraginae                                      | 47  |   |     |
| Dikdiks, Madoquinae   | 49  | <b>Rabbits and Hares, Lagomorpha</b>      |     |
| Small Antelopes, Raphicerinae                                     | 52  | Rabbits and Hares, Leporidae              | 161 |
| Beiras, Dorcatraginae   | 55  |   |     |
| Klippspringer, Oreotraginae                                       | 56  | <b>Seals and Sea-lions, Pinnipedia</b>    |     |
| Bushbucks, Tragelaphinae  | 57  | Seals, Phocidae                           | 167 |
| Roon, Sable and Oryx Antelopes,                                   |     | Sea-lions, Otariidae                      | 168 |
| Hippotraginae   | 66  |   |     |
| Reedbucks and Waterbucks,   |     | <b>Carnivores, Carnivora</b>              |     |
| Reduncinae  | 71  | Dogs and Foxes, Canidae                   | 170 |
| Hartebeestes, Alcelaphinae  | 79  | Dogs and Foxes, Caninae                   | 170 |
| Impalas, Aepycerotinae  | 87  | Hunting Dogs, Lycaoninae                  | 177 |
| Gazelles, Gazellinae  | 89  | Bat-eared Foxes, Otocyoninae              | 178 |
| Ibex and Sheep, Caprinae  | 103 |   |     |
| Cattle, Bovinae   | 106 |   |     |

|                                |     |                                  |         |
|--------------------------------|-----|----------------------------------|---------|
| Mustelids, Mustelidae          | 179 | Baboons, Papiinae                | 261     |
| Weasels, Mustelinae            | 179 | Long-tailed Monkeys,             |         |
| Ratels, Mellivorinae           | 183 | Cercopithecinae                  | 272     |
| Otters, Lutrinae               | 184 | Thumbless Monkeys, Colobinae     | 294     |
| Civet-Cats, Viverridae         | 187 | Apes, Pongidae                   | 300     |
| Genets, Viverrinae             | 187 | <b>Insectivores, Insectivora</b> |         |
| Fossa, Cryptoproctinae         | 194 | Hedgehogs, Erinaceidae           | 308     |
| Palm Civets, Paradoxurinae     | 195 | Otter Shrews, Potamogalidae      | 311     |
| Madagascan Civets, Hemigalinae | 196 | Elephant Shrews, Macroscelididae | 313     |
| Madagascan Mongooses           | 198 |                                  |         |
| Mongooses, Herpestinae         | 201 | List of Colour Plates            | 321     |
| Aardwolf, Protelinae           | 216 |                                  |         |
| Hyaenas, Hyaenidae             | 216 | <b>COLOUR PLATES</b>             |         |
| Cats, Felidae                  | 220 | (by Helmut Diller)               | 322-384 |
| Big Cats, Pantherinae          | 220 | <b>Introduced Mammals</b>        | 385     |
| Cheetahs, Acinonychinae        | 223 | Deer, Cervidae                   | 385     |
| Caracals, Lyncinae             | 225 | Hollow-horned Ruminants, Bovidae | 386     |
| Smaller Cats, Felinae          | 226 | Squirrels, Sciuridae             | 387     |
| <b>Primates</b>                |     | Cavy-like Rodents, Capromyidae   | 388     |
| Lemurs, Lemuridae              | 232 | Hares and Rabbits, Leporidae     | 389     |
| Indris, Indriidae              | 245 | Civets and Mongooses, Viverridae | 389     |
| Aye-Aye, Daubentonidae         | 249 |                                  |         |
| Lorises, Lorisidae             | 251 | <b>Bibliography</b>              | 391     |
| Galagos, Galaginae             | 251 | <b>Scientific Names</b>          | 393     |
| Slow Lorises, Lorisinae        | 258 | <b>Index of English Names</b>    | 396     |
| Monkeys and Baboons,           |     |                                  |         |
| Cercopithecidae                | 261 |                                  |         |
