<b>Reading 1</b>	<b>Code of Ethics and Standards of Professional Conduct</b>	<b>5</b>
	Preface	5
	Evolution of the CFA Institute Code of Ethics and Standards of Professional Conduct	6
	<i>Standards of Practice Handbook</i>	6
	Summary of Changes in the Eleventh Edition	7
	CFA Institute Professional Conduct Program	9
	Adoption of the Code and Standards	10
	Acknowledgments	10
	Ethics and the Investment Industry	11
	Why Ethics Matters	11
	CFA Institute Code of Ethics and Standards of Professional Conduct	15
	Preamble	15
	The Code of Ethics	15
	Standards of Professional Conduct	16
	IV. >>	
<b>Reading 2</b>	<b>Guidance for Standards I—VII</b>	<b>21</b>
	Standard I: Professionalism	21
	Standard 1(A) Knowledge of the Law	21
	Guidance	21
	Recommended Procedures for Compliance	26
	Application of the Standard	27
	Standard 1(B) Independence and Objectivity	30
	Guidance	30
	Recommended Procedures for Compliance	35
	Application of the Standard	36
	Standard 1(C) Misrepresentation	43
	Guidance	43
	Recommended Procedures for Compliance	46
	Application of the Standard	48
	Standard 1(D) Misconduct	53
	Guidance	53
	Recommended Procedures for Compliance	54
	Application of the Standard	54

Standard II: Integrity of Capital Markets	<b>56</b>
Standard 11(A) Material Nonpublic Information	<b>56</b>
Guidance	<b>56</b>
Recommended Procedures for Compliance	<b>60</b>
Application of the Standard	<b>63</b>
Standard 11(B) Market Manipulation	<b>68</b>
Guidance	<b>68</b>
Application of the Standard	<b>69</b>
Standard III: Duties to Clients	<b>73</b>
Standard III(A) Loyalty, Prudence, and Care	<b>73</b>
Guidance	<b>73</b>
Recommended Procedures for Compliance	<b>77</b>
Application of the Standard	<b>78</b>
Standard III(B) Fair Dealing	<b>82</b>
Guidance	<b>82</b>
Recommended Procedures for Compliance	<b>84</b>
Application of the Standard	<b>86</b>
Standard III(C) Suitability	<b>90</b>
Guidance	<b>90</b>
Recommended Procedures for Compliance	<b>93</b>
Application of the Standard	<b>94</b>
Standard III(D) Performance Presentation	<b>97</b>
Guidance	<b>97</b>
Recommended Procedures for Compliance	<b>98</b>
Application of the Standard	<b>98</b>
Standard III(E) Preservation of Confidentiality	<b>101</b>
Guidance	<b>101</b>
Recommended Procedures for Compliance	<b>103</b>
Application of the Standard	<b>103</b>
Standard IV: Duties to Employers	<b>105</b>
Standard IV(A) Loyalty	<b>105</b>
Guidance	<b>105</b>
Recommended Procedures for Compliance	<b>109</b>
Application of the Standard	<b>109</b>
Standard IV(B) Additional Compensation Arrangements	<b>116</b>
Guidance	<b>116</b>
Recommended Procedures for Compliance	<b>116</b>
Application of the Standard	<b>116</b>
Standard IV(C) Responsibilities of Supervisors	<b>118</b>
Guidance	<b>118</b>
Recommended Procedures for Compliance	<b>120</b>
Application of the Standard	<b>122</b>
Standard V: Investment Analysis, Recommendations, and Actions	<b>126</b>
Standard V(A) Diligence and Reasonable Basis	<b>126</b>
Guidance	<b>126</b>
Recommended Procedures for Compliance	<b>130</b>
Application of the Standard	<b>130</b>
Standard V(B) Communication with Clients and Prospective Clients	<b>137</b>
Guidance	<b>138</b>

Recommended Procedures for Compliance	140
Application of the Standard	141
Standard V(C) Record Retention	146
Guidance	146
Recommended Procedures for Compliance	147
Application of the Standard	148
Standard VI: Conflicts of Interest	149
Standard VI(A) Disclosure of Conflicts	149
Guidance	149
Recommended Procedures for Compliance	152
Application of the Standard	152
Standard VI(B) Priority of Transactions	157
Guidance	157
Recommended Procedures for Compliance	158
Application of the Standard	160
Standard VI(C) Referral Fees	162
Guidance	162
Recommended Procedures for Compliance	162
Application of the Standard	162
Standard VII: Responsibilities as a CFA Institute Member or CFA Candidate	165
Standard VII(A) Conduct as Participants in CFA Institute Programs	165
Guidance	165
Application of the Standard	167
Standard VII(B) Reference to CFA Institute, the CFA Designation, and the CFA Program	170
Guidance	170
Recommended Procedures for Compliance	174
Application of the Standard	174
<i>Practice Problems</i>	177
<i>Solutions</i>	196
<b>CFA Institute Research Objectivity</b>	
<b>Standards</b>	<b>209</b>
Guiding Principles	209
Comparison with the New York Stock Exchange and National Association of Securities Dealers Rules	210
Overview of the CFA Institute Research Objectivity Standards	210
Definitions	211
Investment Banks, Broker-Dealers and Other Firms That Sell Research	213
Requirements	213
Recommended Procedures for Compliance	215
<i>Practice Problems</i>	222
<i>Solutions</i>	224
<b>Ethical and Professional Standards: Application</b>	<b>225</b>
<b>The Glenarm Company</b>	<b>227</b>
Case Facts	227
Sherman's Background	227

	Glenarm	228
	The Transition	228
	Case Discussipn	229
	Loyalty to One's Employer	229
	Disclosure of Additional Compensation and Conflicts	230
<b>Reading 5</b>	<b>Preston Partners</b>	<b>233</b>
	Case Facts	233
	Case Discussion	235
	Responsibilities to Clients and Interactions with Clients	235
	Allocation of Trades	236
	Responsibilities of Supervisors	237
<b>Reading 6</b>	<b>Super Selection</b>	<b>239</b>
	Case Facts	239
	Case Discussion	240
	Responsibilities of Supervisors	241
	Employees and the Employer/Supervisor	241
	Reasonable Basis	242
	Duties to Clients	242
	Investment Recommendations and Actions	243
	Priority of Transactions	243
<b>Reading 7</b>	<b>Trade Allocation: Fair Dealing and Disclosure</b>	<b>245</b>
<b>Reading 8</b>	<b>Changing Investment Objectives</b>	<b>249</b>
<b>Quantitative Methods</b>		
<b>Study Session 3</b>	<b>Quantitative Methods for Valuation</b>	<b>253</b>
<b>Reading 9</b>	<b>Correlation and Regression</b>	<b>255</b>
	Introduction	256
	Correlation Analysis	256
	Scatter Plots	256
	Correlation Analysis	257
	Calculating and Interpreting the Correlation Coefficient	260
	Limitations of Correlation Analysis	262
	Uses of Correlation Analysis	265
	Testing the Significance of the Correlation Coefficient	273
	Linear Regression	276
	Linear Regression with One Independent Variable	276
	Assumptions of the Linear Regression Model	280
	The Standard Error of Estimate	282
	The Coefficient of Determination	285
	Hypothesis Testing	287
	Analysis of Variance in a Regression with One Independent Variable	295
	Prediction Intervals	298
	Limitations of Regression Analysis	301

	<i>Summary</i>	<b>301</b>
	<i>Practice Problems</i>	<b>304</b>
	<i>Solutions</i>	<b>315</b>
<b>Reading 10</b>	<b>Multiple Regression and Issues in Regression Analysis</b>	<b>325</b>
	Introduction	<b>326</b>
	Multiple Linear Regression	<b>326</b>
	Assumptions of the Multiple Linear Regression Model	<b>332</b>
	Predicting the Dependent Variable in a Multiple Regression Model	<b>336</b>
	Testing whether All Population Regression Coefficients Equal Zero	<b>338</b>
	Adjusted $R^2$	<b>340</b>
	Using Dummy Variables in Regressions	<b>341</b>
	Violations of Regression Assumptions	<b>345</b>
	Heteroskedasticity	<b>345</b>
	Serial Correlation	<b>352</b>
	Multicollinearity	<b>356</b>
	Heteroskedasticity, Serial Correlation, Multicollinearity: Summarizing the Issues	<b>359</b>
	Model Specification and Errors in Specification	<b>360</b>
	Principles of Model Specification	<b>360</b>
	Misspecified Functional Form	<b>361</b>
	Time-Series Misspecification (Independent Variables Correlated with Errors)	<b>369</b>
	Other Types of Time-Series Misspecification	<b>372</b>
	Models with Qualitative Dependent Variables	<b>373</b>
	<i>Summary</i>	<b>375</b>
	<i>Practice Problems</i>	<b>378</b>
	<i>Solutions</i>	<b>397</b>
<b>Reading 11</b>	<b>Time-Series Analysis</b>	<b>407</b>
	Introduction to Time-Series Analysis	<b>408</b>
	Challenges of Working with Time Series	<b>410</b>
	Trend Models	<b>411</b>
	Linear Trend Models	<b>411</b>
	Log-Linear Trend Models	<b>414</b>
	Trend Models and Testing for Correlated Errors	<b>420</b>
	Autoregressive (AR) Time-Series Models	<b>421</b>
	Covariance-Stationary Series	<b>422</b>
	Detecting Serially Correlated Errors in an Autoregressive Model	<b>423</b>
	Mean Reversion	<b>426</b>
	Multiperiod Forecasts and the Chain Rule of Forecasting	<b>427</b>
	Comparing Forecast Model Performance	<b>430</b>
	Instability of Regression Coefficients	<b>432</b>
	Random Walks and Unit Roots	<b>435</b>
	Random Walks	<b>435</b>
	The Unit Root Test of Nonstationarity	<b>439</b>
	Moving-Average Time-Series Models	<b>443</b>
	Smoothing Past Values with an n-Period Moving Average	<b>444</b>
	Moving-Average Time-Series Models for Forecasting	<b>446</b>

Seasonality in Time-Series Models	448
Autoregressive Moving-Average Models	454
Autoregressive Conditional Heteroskedasticity Models	455
Regressions with More than One Time Series	458
Other Issues in Time Series	462
Suggested Steps in Time-Series Forecasting	462
<i>Summary</i>	464
<i>Practice Problems</i>	467
<i>Solutions</i>	476
<b>Excerpt from "Probabilistic Approaches: Scenario Analysis, Decision Trees, and Simulations"</b>	<b>481</b>
Introduction	481

<b>Reading 17</b>	<b>Long-lived Assets: Implications for Financial Statements and Ratios</b>	<b>49</b>
	Introduction	50
	Capitalising versus Expensing	50
	Capitalisation of Interest Costs	56
	Capitalisation of Internal Development Costs	58
	Depreciation	63
	Depreciation Methods	63
	Estimates Required for Depreciation Calculations	66
	Impairment and Revaluation of Long-lived Assets	68
	Impairment of Long-lived Tangible Assets Held for Use	68
	Revaluation of Long-lived Assets	71
	Financial Statement Disclosures: Analysis and Disclosure	74
	Leasing	78
	The Lease versus Buy Decision	79
	Finance versus Operating Leases	79
	<i>Summary</i>	97
	<i>Practice Problems</i>	99
	<i>Solutions</i>	104

<b>Study Session 6</b>	<b>Financial Reporting and Analysis: Intercorporate Investments, Post-Employment and Share-Based Compensation, and Multinational Operations</b>	<b>107</b>
<b>Reading 18</b>	<b>Intercorporate Investments</b>	<b>109</b>
	Introduction	110
	Basic Corporate Investment Categories	-111
	Investments in Financial Assets: Standard IAS 39 (as of December 2012)	112
	Held-to-Maturity	113
	Fair Value through Profit or Loss	114
	Available-for-Sale	114
	Loans and Receivables	115
	Reclassification of Investments	116
	Impairments	117
	Investments in Financial Assets: IFRS 9 (as of December 2012)	122
	Classification and Measurement	122
	Reclassification of Investments	124
	Investments in Associates and Joint Ventures	125
	Equity Method of Accounting: Basic Principles	126
	Investment Costs That Exceed the Book Value of the Investee	129
	Amortization of Excess Purchase Price	130
	Fair Value Option	132
	Impairment	133
	Transactions with Associates	133
	Disclosure	136
	Issues for Analysts	136
	Business Combinations	137
	Pooling of Interests and Purchase Methods I	139
	Acquisition Method	140
	Impact of the Acquisition Method on Financial Statements, Poj-	
	Acquisition	142
	The Consolidation Process	144
	Financial Statement Presentation Subsequent to the Business	
	Combination	150
	Variable Interest and Special Purpose Entities	153
	Additional Issues in Business Combinations That Impair	
	Comparability	157
	Summary	158
	Practice Problems	160
	Solutions	169
<b>Reading 19</b>	<b>Employee Compensation: Post-Employment and Share-Based</b>	<b>173</b>
	Introduction	174
	Pensions and Other Post-Employment Benefits	174
	Types of Post-Employment Benefit Plans	175
	Measuring a Defined Benefit Pension Plan's Obligations	177
	Financial Statement Reporting of Pension Plans and Other Post-	
	Employment Benefits	179
	Disclosures of Pension and Other Post-Employment Benefits	190

Share-Based Compensation	200
Stock Grants	203
Stock Options	204
Other Types of Share-Based Compensation	207
<i>Summary</i>	207
<i>Practice Problems</i>	210
<i>Solutions</i>	215
<b>Multinational Operations</b>	<b>217</b>
Introduction	218
Foreign Currency Transactions	219
Foreign Currency Transaction Exposure to Foreign Exchange Risk	220
Analytical Issues	223
Disclosures Related to Foreign Currency Transaction Gains and Losses	226
Translation of Foreign Currency Financial Statements	232
Translation Conceptual Issues	232
Translation Methods	236
Illustration of Translation Methods (Excluding Hyperinflationary Economies)	245
Translation Analytical Issues	248
Translation when a Foreign Subsidiary Operates in a Hyperinflationary Economy	260
Companies Use Both Translation Methods at the Same Time	264
Disclosures Related to Translation Methods	265
Multinational Operations and a Company's Effective Tax Rate	271
Additional Disclosures on the Effects of Foreign Currency	274
Disclosures Related to Sales Growth !	274
Disclosures Related to Major Sources of Foreign Exchange Risk	277
<i>Summary &gt;J</i>	278
<i>Practice Problems</i>	282
<i>Solutions</i>	289
<b>Financial Reporting and Analysis: Quality of Financial Reports and Financial Statement Analysis</b>	<b>293</b>
<b>Evaluating Quality of Financial Reports</b>	<b>295</b>
Introduction	296
Quality of Financial Reports	297
Conceptual Framework for Assessing the Quality of Financial Reports	297
Potential Problems that Affect the Quality of Financial Reports	299
Evaluating the Quality of Financial Reports	311
General Steps to Evaluate the Quality of Financial Reports	311
Quantitative Tools to Assess the Likelihood of Misreporting	312
Earnings Quality	316
Indicators of Earnings Quality	316
Evaluating the Earnings Quality of a Company (Cases)	325
Bankruptcy Prediction Models	337

Cash Flow Quality	339
Indicators of Cash Flow Quality	339
Evaluating Cash Flow Quality	340
Balance Sheet Quality	348
Sources of Information about Risk	352
Limited Usefulness of Auditor's Opinion as a Source of Information about Risk	353
Risk-Related Disclosures in the Notes	356
Management Commentary (Management Discussion and Analysis, or MD&A)	360
Other Required Disclosures	363
Financial Press as a Source of Information about Risk	364
Conclusion	364
<i>Practice Problems</i>	368
<i>Solutions</i>	370
<b>Reading 22</b>	
<b>Integration of Financial Statement Analysis Techniques</b>	<b>371</b>
Introduction	372
Case Study 1: Long-Term Equity Investment	373
Phase 1: Define a Purpose for the Analysis	374
Phase 2: Collect Input Data	374
Phase 3: Process Data/Phase 4: Analyze/Interpret the Processed Data	374
Phase 5: Develop and Communicate Conclusions and Recommendations (e.g., with an Analysis Report)	399
Phase 6: Follow-up	400
Case Study 2: Off-Balance Sheet Leverage from Operating Leases	400
Phase 1: Define a Purpose for the Analysis	400
Phase 2: Collect Input Data	401
Phase 3: Process Data/Phase 4: Analyze/Interpret the Processed Data	401
Phase 5: Develop and Communicate Conclusions and * "4 Recommendations (e.g., with an Analysis Report)	403
Phase 6: Follow-up	404
Case Study 3: Anticipating Effects of Changes in Accounting Standards	404
Phase 1: Define a Purpose for the Analysis	405
Phase 2: Collect Input Data	405
Phase 3: Process Data/Phase 4: Analyze/Interpret the Processed Data	405
Phase 5: Develop and Communicate Conclusions and Recommendations (e.g., with an Analysis Report)	408
Phase 6: Follow-up	408
<i>Summary</i>	408
<i>Practice Problems</i>	409
<i>Solutions</i>	415
